Amendment of Section 73.202(b)
Table of Allotments

(Thibodaux Louisiana)

MM Docket No.

To: Chief, Allocations Branch

REPLY COMMENTS OF KXOR, INC.

KXOR, Inc., by Counsel, hereby states its Reply Comments in support of the amendment to the Table of FM Allotments proposed in the *Notice of Proposed Rulemaking*, DA 92-1425 (___ FCC Rcd ___) ("NPRM"). KXOR, Inc. is the Licensee of FM Broadcast Station KXOR, Thibodaux, Louisiana and the proponent of the change.

KXOR, Inc., hereby incorporates by reference its previous showings and statements and reaffirms them.

In its timely filed Comments, KXOR, Inc recited that its *Petition for Rulemaking* demonstrated that Channel 292C3 could be substituted for Channel 292A in compliance with the Commission's minimum distance separation requirements. Moreover, its Comments restated the commitment of KXOR, Inc.¹ that

[i]f the Commission determines to upgrade the allotment on
which station KXOR operates, KXOR, Inc. will timely file an

¹as stated in the Petition for Rule Making

application for a construction permit to build facilities on the upgraded channel. If granted a construction permit, KXOR, Inc. will expeditiously build a station on the upgraded channel and then will operate it.

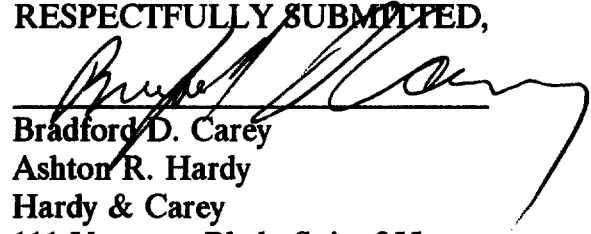

The requested upgrade of Station KXOR would result in service to the public in a wider area, increasing the listening choices of the public. The Commission has determined that the upgrade of existing stations is in the public interest.

As of the date of these Reply Comments, no Counter Proposals or Comments of others have been received by KXOR's Counsel.²

In conclusion, KXOR, Inc. has demonstrated the availability of Channel 292C3 for substitution for Channel 292A at Thibodaux, Louisiana and has made the required commitments to seek a construction permit on the upgraded channel and to build and operate a station on the upgraded channel.

Wherefore, premises considered, KXOR, Inc. urges the Commission to adopt the proposed substitution of Channel 292C3 for Channel 292A at Thibodaux, Louisiana and so amend the Table of Allotments and modify the license held by KXOR, Inc. to specify operation on the higher class channel.

RESPECTFULLY SUBMITTED,
